INFORMATION FOR TEACHERS

The tradition of kite flying is still alive in India especially during festivals. Kite flying is the sheer expression of joy at the end of winter and the hope for bright days ahead. It is a fascination for the young and old alike, be it from open fields in the villages or rooftops and terraces in the cities. It is also a thanksgiving for the good wishes and the blessings received in the past year. It also marks the beginning of warm and sunny days of summer. In North India, the wedding season coincides with the kite season.

"Count On Me" by Bruno Mars

If you ever find yourself stuck in the middle of the sea
I'll sail the world to find you
If you ever find yourself lost in the dark and you can't see
I'll be the light to guide you

Find out what we're made of
When we are called to help our friends in need

You can count on me like one, two, three, I'll be there
And I know when I'm needed
I can count on you like four, three, two, and you'll be there
'Cause that's what friends are supposed to do

If you toss and you turn and you just can't fall asleep
I'll sing a song beside you
And if you ever forget how much you really mean to me
Everyday I will remind you
Find out what we're made of
When we are called to help our friends in need

You can count on me like one, two, three, I'll be there
And I know when I'm needed
I can count on you like four, three, two, and you'll be there
'Cause that's what friends are supposed to do

You'll always have my shoulder when you cry
I'll never let go, never say goodbye

You know you can count on me like one, two, three,
I'll be there
And I know when I'm needed
I can count on you like four, three, two,
and you'll be there
'Cause that's what friends are supposed to do
You can count on me 'cause I can count on you

Big kites,
Small kites,
Oh, how bright.
Oh, wow! Oh, so bright!

Strings, papers,
Sticks and glue,
Sticks and glue,
You need them too.
Many colours
known to you,

Even blue

By and by,
You’ll see them fly,
Like a bird

Flying high,
In the sky.

"Count On Me" by Bruno Mars

If you ever find yourself stuck in the middle of the sea
I'll sail the world to find you
If you ever find yourself lost in the dark and you can't see
I'll be the light to guide you

Find out what we're made of
When we are called to help our friends in need

You can count on me like one, two, three, I'll be there
And I know when I'm needed
I can count on you like four, three, two, and you'll be there
'Cause that's what friends are supposed to do

If you toss and you turn and you just can't fall asleep
I'll sing a song beside you
And if you ever forget how much you really mean to me
Everyday I will remind you
Find out what we're made of
When we are called to help our friends in need

You can count on me like one, two, three, I'll be there
And I know when I'm needed
I can count on you like four, three, two, and you'll be there
'Cause that's what friends are supposed to do

You'll always have my shoulder when you cry
I'll never let go, never say goodbye

You know you can count on me like one, two, three,
I'll be there
And I know when I'm needed
I can count on you like four, three, two,
and you'll be there
'Cause that's what friends are supposed to do
You can count on me 'cause I can count on you
